SUMMARY

.NET Developer skilled in C#, ASP.NET, .NET Core, and SQL. Strong in debugging, testing, and building clean, reliable applications. A collaborative team player who delivers quality solutions and stays updated with modern best practices.

SKILLS

- Backend: C#, .NET , .NET Core, Web API, Entity Framework
 - Database: SQL Server, MySQL,
 - API Development & Design Patterns : RESTful APIs, Web API, MVC, Repository Pattern , CQRS Pattern
 - Tools : Git, Postman, Visual Studio
 - Soft Skills : Debugging, teamwork, communication
-

EXPERIENCE

ARV Softwares (*April 2024 –January 2025*)

- Worked on .NET Core APIs and .NET Core MVC applications
- Developed new API endpoints and optimized existing ones.
- Debugged application issues, improved code quality, and fixed production bugs.

Ways and Means Technology (*march 2025–Present*)

- Developed and maintained .NET applications and REST APIs.
 - Improved SQL performance and optimized various business workflows.
 - Involved in requirement analysis, development, testing, and deployment.
-

PROJECTS

Expression App

- Built a .NET Core Web API using CQRS, Onion Architecture, EF Core, and SQL Server.
- Implemented JWT authentication with role/permission-based authorization.
- Developed backend for an AI-powered kids learning app with interactive stories

Store Management System

- Developed a web-based system to manage inventory, sales, purchases, and billing.
- Added real-time stock tracking, invoicing, and reporting with SQL Server.
- Built alerts for low stock, pending payments, and order updates.

Milk Manager

- Built a .NET Core system to manage milk collection, farmer records, and daily transactions.
 - Used EF Core + SQL Server for smooth data handling and reporting.
 - Built modules for rate calculation, payouts, and collection summaries
-

EDUCATION

- Kotinatmam Secondary School (2022)- SECONDARY EDUCATION
 - Sanskrit Senior Secondary School (2022)- HIGH SCHOOL
 - MDSU Ajmer (2026) – BCA
-

LANGUAGES & HOBBIES

- Languages: English, Hindi
- Hobbies: Cooking, Travelling
